# The Stars Descend

## Community Performer Information

Join us as we reach for the stars with an immense story of climate action and hope.

Created by Annette Carmichael Projects, **The Stars Descend**, is a vast trail of dance performances about climate action and hope that unfolds over five regional locations.

The project is inspired and informed by consultation with First Nations Elders, scientists and ecological groups. It is co-created by some of Western Australia's most impactful artists and will be performed by local people who care about the incredible ecology of their community.

Performances take place in spectacular outdoor settings and celebrate the rich biodiversity and ongoing restoration of a 1000km wildlife pathway, supported by the environmental program called Gondwana Link.

In Wooditjup (Margaret River), Northcliffe, Twin Creeks/Porongurup, Fitzgerald and Garlgula/Karlkurla (Kalgoorlie), dedicated teams of professional artists are working together with community, to produce stunning performance that will immerse audiences in the natural beauty of Western Australia's landscapes. **The Stars Descend** performances unfold from 17 March - 1 April 2023.

Everybody aged 14 years and upwards is invited to dance in this project. No dance experience necessary. First Nations people are especially encouraged to attend.

### Wooditjup/Margaret River Artistic Team

Choreographer & Team Leader: Adelina Larsson

Choreographer: Janine Oxenham

Sound Designer: Simon Walsh

### What's involved

Community performers need to commit to a schedule of rehearsals (see attached). It is expected that you will attend most rehearsals and you must be available for all rehearsals in the week of the performance.

### Registration Fee

A one off registration fee of \$57 is paid by each participant. This fee contributes to costs of the project including participant insurance, artist fees and equipment hire. Pay via this link: <https://www.trybooking.com/CBYQP>

*If you are experiencing financial hardship this registration fee can be waived. Contact your Local Producer and request the fee be waived.*

**Other costs**

You will be asked to source items of clothing for your costume. These costs will be kept to a minimum and where possible, second hand or recycled clothes are preferred.

**Location of rehearsals and performance**

Rehearsals happen indoors and on the performance site.

The performance site is an outdoor location and involves moving across uneven ground and exposure to dirt, insects, grasses and sun.

**What to bring to the workshops**

Please wear comfortable, stretchy clothes. Bring water and snacks. Wear joggers, a hat and sunscreen for outdoor rehearsals.

**Filming and photography**

This project is being filmed and photographed. At times during the project you may be approached for an interview or be photographed or filmed during workshops. Please let us know if you do not wish to participate in this.

**Access and Inclusion**

We are committed to the inclusion of people with many different experiences of life and encourage you to make contact with us if you require support or assistance to facilitate your participation.

**Cultural Protocols**

Performances intentionally avoid traditional Aboriginal content. Local Elders are actively involved in the project and are consulting to support the cultural safety of First Nation participants. If you are First Nation and would like additional information about cultural protocols, please contact our First Nation Producer, Ruth Maddren, [ruth@distributed15.com.au](mailto:ruth@distributed15.com.au)
